Willow Class Home Learning

Autumn 2

Home Learning will be uploaded onto Google Classroom each **Friday.** Please upload your response by the following **Friday.** This will be Maths and Phonics/Spellings.

Please ensure that your child is reading at least **three times** per week. We will change reading books on a Friday.

This half term, we ask you to support your child to complete 2 pieces of topic home learning, with hand in dates spread across the 6 weeks. Completed home learning should be brought in so we can share it in school and add to our display or photographed/videoed and put on Google Classroom please.

Hand in dates:

1. Friday 20th November
2. Friday 11th December

Go on an autumn walk. What signs of autumn can you spot?	Help your grownups to create a dish to eat! Use your chopping and grating skills.	Have a chat with your grandparents or parents about toys they loved when they were a child.	Explore your gymnastic rolling - can you do a barrel roll, straight roll, teddy bear roll?
Watch the story of The First Christmas The Christian Story of the First Christmas - BBC Teach . Can you retell the story? You could also draw a picture.	Go on a sensory walk. Using your senses, can you write a recount to describe what you can: taste, touch, smell, see and hear?	Create a poster to show "What makes a good friend?"	Use your colour mixing skills to paint a picture of your favourite toy from home.

If you are struggling with any aspect of Home Learning, please do not hesitate to contact us.

Have fun!
