

If you are being bullied-
TELL SOMEONE!

They will tell your teacher so that they can sort it out.

Remember: all adults in school have a job to look after you; they will put measures in place to do so.

If it continues: the staff will encourage and support you in trying to resolve the problem with the bully using mediation and circle time.

If this is unsuccessful, staff will speak to parents or carers.

You must remember that through this process, staff will keep talking to you to check that things have got better for you and that you are happy.

How do we prevent bullying at

Woodbury School?

- We treat each other respectfully and offer our peers support. Our core values encourage positive relationships.
- PSHE lessons and circle time help us to be good friends and teach us how to deal with bullying.
- School posters remind us all that bullying is unacceptable and shows ways in which we can help.
- Every year we take part in 'Anti-Bullying week', along with other schools nationally.
- We can talk to anyone on our School Council to discuss ways to support anti-bullying.

What our school does to respond to bullying:

- We all take bullying seriously
- We listen to the children involved and offer support
- We work closely with parents and carers so we are all helping to find a solution

We have zero tolerance

Woodbury School's Child Friendly Anti-Bullying Policy

"We want everyone in our school to feel valued, safe and happy. Our school is special because we all value each other."

**This policy has been developed by members of Woodbury School Council, the pupils and staff.
2017**

What is Bullying?

Emotional

- * Making faces and laughing at someone behind their back.
- * Leaving someone out repeatedly and deliberately.

Physical

- * Punching, kicking, spitting, pinching and biting.
- * Crowding around someone.

Verbal

- * Saying unkind things to upset that person.
- * Saying unkind things to make others laugh or to impress them
- * Making things up about someone that is not true

Cyber

- * Horrible text messages and emails, nasty things said and done on the internet.

When some-

one is

unkind or mean to another person, on purpose and repeatedly, to make them feel bad, inadequate and 'small'.

Bullying is NOT:

- Accidents
- Falling out with friends
- Only happening once
- Fighting

A Friend

Remember: it is still bullying even if it is done behind someone's back or over text or internet messaging.
