Why Choose to Pay Using Bank Transfer

- Bank Transfer is the easiest and most secure way to pay using School Gateway.
- The Bank Transfer set up can either be completed via the School Gateway app or website.
- Once the initial set up has been completed, there is no requirement to re-enter bank details each time a payment is processed via School Gateway.
- Monies are debited from the payers account between 3 and 5 working days after the payment is completed in School Gateway. Initial payments can sometimes take up to 10 working days to clear.
- The facility is backed by the Direct Debit Guarantee.

Can Payments Fail?

- The most common reason for a payment to fail is if the payer has insufficient funds in their account at the time the monies are debited from their chosen account (3 to 5 **working** days **after** the payment is completed in School Gateway).
- Some bank account types do not accept the bank transfer facility.

How Do You Know If a Payment Has Failed?

- If a payment does 'fail' you will be notified via email from the School Gateway team.
- The payer will receive an email asking them to make the payment again. No monies will be debited from the payer's account.
- Failed payments are visible in Schoolcomms, within your Payment Reports.
