In September 2022, Premier Education will be delivering Woodbury C of E School's Breakfast and After School Wraparound Care Provision as well as providing a range of additional Extra Curricular After School Clubs. These opportunities will be available for all Woodbury pupils. Children do not have to attend the after school provision (unless they wish to) in order to be able to attend the After School Enrichment Clubs as these will run separately.

We would like to invite all parents and carers for a meet and greet session on **Thursday 12th May 2022 at 5:30pm in the school hall**. We will introduce you to the Premier Education team who will take us through a short presentation and be on hand to answer any questions you may have on all of the above. A Cedar Tree Governor will also be in attendance.

We hope that parents and children will be as optimistic as we are about this exciting new opportunity for every pupil in our school and we look forward to meeting you on Thursday 12th May at 5:30pm to be able to tell you much more about all future plans for Wraparound Care and Holiday Camps.

Yours sincerely
