Dear Parents

Planetarium Dome visit
Oak and Chestnut Classes

As a part of the Year 2 and Year 5 topics this Autumn on Space, we have arranged for the children to have a planetarium experience. It will deliver the awe and wonder of the night sky, taking the children on a journey through the planets and, for Year 2, a look at the moon landings. This will be an amazing end to the Year 5 Earth, Sun and Moon topic and it will be the launch of the Year 2 Man on the Moon topic.

The planetarium dome will be set up in the hall on the morning of Friday 12th November. The children will go into the dome in groups of 15 where they will wear a mask (which will be provided) and will sanitise their hands. After each group has their session, the air system will be changed before the next group enter.

We're sure you would agree that this will be a great experience for the children which will enhance their learning for their topic.

In order for the visit to go ahead we request a voluntary contribution of £9.65 per child. Please give your consent for your child to attend, along with your contribution, using school gateway by Friday 5th November.

Kind Regards

Mrs Sommers and Miss O'Leary
